Why Metro?

INNUMERABLE OPTIONS

No matter the application or your need Metro has a solution. We provide the largest line of high-productivity shelving, cabinets, carts and accessories in the world.

IMAGINATIVE SOLUTIONS

What's the job to be done? That's what we ask every day. Our product development teams study the customers and create innovative solutions that boost productivity and efficiency for all applications.

NORTH AMERICAN MANUFACTURING

Having control of our supply chain is at the core of providing an exceptional customer experience. It allows for reduced shipping, shorter lead times, environmental responsibility and a higher standard for safety & quality.

PREMIUM BRAND

For over 90 years we've developed the most advanced storage & productivity solutions in the world utilizing the highest quality materials. Our products are tested & engineered to withstand the most stringent safety and durability standards... and we guarantee it.

ULTIMATE VALUE

Within every Metro product comes more value than any other brand. We provide better service, more options, and the most knowledgeable and experienced sales support in the industry.

The only shelving guaranteed to never collapse.
